September 7th, 2014

Dear brothers and sisters in Christ,

For many of us, this month is the beginning of a new course. We wish many apostolic fruits and that we can take the love of Christ to many new brothers and sisters.

We want to inform you of several issues:

1) The ordinary meeting of the OMCC will be held on September 13th in Fatima (Portugal), with the assistance of all the International Groups. In the agenda of the meeting is included the information on activities and projects of all International Groups and the presentation of the Statutes of the OMCC approved by the Pontifical Council for the Laity of the Holy See, and the presentation of the definitive redaction of the third edition of the book Fundamental Ideas of CM. We ask for your “palanca” for the development of the meeting. We will inform you when we return.

2) The Project CM in Africa goes on. Francis Napoli informed us that the next celebration of the first Cursillo in the Archdiocese of Tororo, in Uganda, will be held at the end of September. They ask for our “palanca”, to be sent to the rector of the Cursillos, Bruno Ojangole, to the following address: brunoandmm@gmail.com

3) We congratulate our brothers and sisters from Croatia. They are celebrating their 40th anniversary of Cursillos on September 26th. They have our best wishes and our prayers.

4) In the meeting of Fatima we have to provide the GECC annual contribution to the OMCC, 1.200 \$. In order to keep on record the financial situation of the GECC, we would be grateful if those National Secretariats that have not sent their annual payment to the GECC could do it.

5) With regard to our next GECC Encounter, in Toledo (November 13-16th), it will be held in the “Casa de Espiritualidad de los Carmelitas Descalzos” (Retirement House of Discalced Carmelites), the cost would be around 170-200 € per participant and it will be possible to stay in the House a few days before or after the Encounter. We are completing the agenda, in which there will be time for the presentation of the approved Statutes of OMCC and the new Edition of Fundamental Ideas. In addition, you will receive shortly a questionnaire, recalling some information about each National Secretariat and asking for a list of topics for reflection and debate, that we could approach in this or in future Encounters.

We are entirely at your disposal for any further question.

Best regards.
DE COLORES.

The GECC Executive Team
